Headteacher Michele Chilcott BSc **Deputy Headteacher** Carolyn Stammers BA MA

4 April 2014

Dear Parents / Guardians

Careers Update

Please find attached three booklets that students have recently received.

- Applying to Higher Education Part 1
- Guide to Employment and Training Opportunities
- Guide to University Visits

They give an overview of how students should consider their options and what those options are as well as how to make the best of a university open day. Potential medics, vets and dentists should have received a booklet outlining the specific requirements for those subjects.

University Open Day bookings are either now open or will be open in the next couple of weeks. Please encourage your daughter to book these as soon as possible as some universities fill up very quickly. We recommend that students do not visit more than 3 in the summer term (over and above the visits that school organise to Reading, Oxford and Cambridge) and then 5 in the following Autumn Term. Students will also be offered the opportunity of a post offer visit in the Spring Term 2015 should they receive an offer.

After exams students will receive a second book regarding the application process in detail which they will work on in school and those interested in Oxford and Cambridge will also receive details of the specific requirements.

I hope you have a good Easter break and please do not hesitate to contact me if you have any questions.

Warm regards

Jane Mackay
Careers and Personal Development Officer
