Dear Parents / Carers

Re: Year 10 Elevate Study Skills Workshop –Tuesday 31 October 2017

We have arranged for Elevate Education to deliver a *Memory and Mnemonics* study skills seminar to Year 10 on Tuesday 31 October 2017. Elevate Education has revolutionised the way study skills are taught around the world. Their award winning seminars cover the techniques utilised by the country's top students, and demonstrate that any student can improve performance by tapping into, and replicating, these techniques.

The session will cover:

- How to overcome reliance upon rote learning
- The role of attention in memory and managing distractions
- Semantic learning techniques for higher level memorisation

We greatly recommend your daughter's participation in this session. **The cost of the workshop and materials is £8**

Deadline for payment: mid-day Wednesday 18 October 2017
