Headteacher Michele Chilcott BSc MA **Deputy Headteacher** Amanda Smith BSc PhD

09 October 2017

Dear Student

Following previous years' success, we are providing all 6th form science students with the opportunity to purchase a subscription to Sciences Review magazines. There is a dedicated periodical for Biology, Chemistry and Physics. These contain articles on topics relevant to the course, incorporating recent research, in addition to information about careers and exam technique and is written specifically for A-level students. It is particularly appreciated by those students who intend to carry on their science to Year 13 and beyond. The review magazine helps to extend your knowledge preparing you for the synoptic element of the Year 13 course and university interviews. The price for students for each set of four issues throughout the year is £15.50. The cost of buying such study materials can be covered under the Bursary scheme and application forms can be found on the school website <http://www.swgs.wilts.sch.uk/sixthform.asp> or from the 6th form office.

Closing date is the **12 Noon, Friday 3 November 2017.**

Parents are requested to use the ParentPay facility. Please contact the finance office if you have any difficulties logging on to ParentPay by emailing finance@swgs.wilts.sch.uk or telephone 01722 343750.

Yours sincerely

Mrs J Brown
(Head of Science)
