February 2017

Dear Parents / Carers

Re: Take Your Daughters to Work Day

As part of our Citizenship and Economic Well-being programme of study, Year 8 will be participating once again in "Take Your Daughters to Work Day". The day aims to give 11-15 year old girls the chance to experience a working day and to encourage them to begin to plan for their futures. We believe that girls gain a great deal from participating in this scheme and have chosen Year 8 as the most appropriate stage for our students to join in this event. We hope you will be willing and able to arrange for your daughter to accompany you to work on **Wednesday 5 July**, or arrange for her to go with a relative or friend.

This is not a 'day out' from school but will be regarded as an integral part of the school timetable. We will be preparing girls before the event by giving them an assignment to complete, linking with work in their PSD lessons. There will also be follow up work afterwards.

Please complete the attached form and return it, **by Wednesday 24 May** to the Main Office or email details to events@swgs.wilts.sch.uk.

Yours sincerely

Carolyn Stammers

Deputy Head
