Dear Parents / Carers

Re: Year 7 Parents' Consultation Evening – Tuesday 27 March 2018

We are holding a Year 7 Parents' Consultation Evening on **Tuesday 27 March** and very much hope you will be able to attend to discuss your daughter's attainment and progress. Your daughter will be able to arrange appointments with individual members of staff between 5.00pm and 7.30pm; each one lasting for approximately 5 minutes (an appointment sheet will be given to them via the registers). Students do not accompany parents during this evening.

Some staff teach a number of groups and it is impossible for them to see everyone. In such cases, they will make appointments with parents they need to see and you can be sure that if they have any concerns about your daughter's progress they will be in touch. However, if you have a particular query, please ensure your daughter tells the relevant member of staff, who will make every effort to arrange an appointment. A Parent Governor will also be available during the evening, as will Mrs Reeve, SENCO – please let us know if you would like to make an appointment with her. I will be there both as Head of Year and as a music teacher.

Please sign in when you arrive and sign out when you leave at the main school reception as this assists staff in managing their appointments.

Each year we ask parents to complete a survey which gives the school some very useful and positive feedback. Please do take the time to complete the survey, as we really appreciate your feedback and use it to inform our planning and decision making. The survey can be found online and the link has been sent along with this school comms. The survey is available for you to fill out until 30 March 2018. The results of these surveys are available on the school's website at <http://www.swgs.wilts.sch.uk/defaultPage.asp?Page=26>.

Please indicate whether or not you will be attending by e-mailing your reply to events@swgs.wilts.sch.uk or by completing the slip below and returning it to the Main Office by **Wednesday 21 March 2018**. Although there is no parent parking on site, should you need access to the disabled parking space, please let us know.

Yours sincerely
