Headteacher Michele Chilcott BSc MA **Deputy Headteacher** Carolyn Stammers BA MA

January 2017

Dear Parent / Carer

Re: Help with SWGS Events

We are looking to build a database of parents with expertise in different professional and/or academic fields who would be willing to help us in supporting our students. We are looking for help with the following events:

- **Year 9 Industry Days** – a three-day event in June where groups of students are assigned to a local Salisbury company and given a real-life project to research. Findings are presented to an organisation representative on the final day. Students have influenced business decision making through their detailed findings, so if your company has some projects needing attention, please get in touch.
- **Year 11 Mock Interviews** – students select a job they wish to apply for (from a pre-chosen list selected by the school that are deemed most appropriate), and volunteers from a relevant industry visit the school for a morning or afternoon in March to interview students.
- **Year 13 Mock Interviews** – on an individual basis, either academic or vocational course based - run throughout the Academic Year
- **Talking to students about your work / profession** in small groups either at 6th form conference or a PSHE lesson.
- **Offer a work experience placement** to Year 12 students for 1 week in the summer term.
- **Offer volunteering opportunities** for 6th Formers on a regular basis at times to suit you (timetabling dependent).

If you think you could help, please complete the form below and return it via your daughter to Miss Collins in the Main Office, or email details to events@swgs.wilts.sch.uk. Thank you for your support.

Kind regards

Mrs Carolyn Stammers
