Dear Parents / Guardians

I would like to take this opportunity to remind you of the school's Parental Portal. This allows you to view different pieces of information regarding your daughter including timetable, attendance figures, access to the subject pages on the schools VLE and any public examinations results. You are able to use the portal to update information that we hold such as home address, telephone number and emergency contact information. There is also a link to the resource companion which holds careers information for different year groups.

If you have any difficulty accessing the parental portal, there is the forgotten password option or contact the school using the head@swgs.wilts.sch.uk e-mail address.

Login details for the Parental Portal will be issued to parents of year 7 students at the Meet the Tutor evening on Monday 9 October and parents new to South Wilts at the Year 12 Parents Briefing on Tuesday 12 September.

Could I also remind you of the preferred method of payment for trips, visits and revision materials. ParentPay allows you to make online payments using debit and credit cards. Login details for this system are issued to new parents at the start of term.

Yours sincerely

Mr S Jones
Assistant Headteacher
