

Learning Journey:
AQA A Level Computer Science (7517)

Exam Practice / Past Papers / Skeleton Program

Paper 1

Paper 2

NEA –
Testing &
Evaluation

Skeleton Program

NEA – Technical
Solution

NEA - Design

Consequences of
Uses of Computing

Fundamentals of
Databases

Big Data

YEAR
13

Skeleton Program

NEA - Analysis

Algorithms

Traversals

Data Structures and
Abstract Data Types

Fundamentals of Data
Representation

Fundamentals of
Computer Systems

Fundamentals of Computer
Organisation & Architecture

Fundamentals for
Communication and
Networking

YEAR
12

Programming

Programming
Paradigms

Abstraction and
Automation

Regular Languages

Context Free
Languages

A model of
computation
