

List of requirements for first day (September)

- School bag
- Pencil case containing pens (black or blue, any style), pencils, ruler, rubber, a few coloured pens for self-marking, whiteboard pen, and colouring pencils.
- Water bottle - this can be refilled in fountains around the school
- Bus pass/train ticket/fare/copy of the transport timetable
- Students will not need PE kit on the first day but please bring it in when timetabled to have a PE lesson or sports club/activity.
- Please ensure that **all** belongings are named with a permanent marker pen or name label
- Students will be given a homework planner on their first day in September.
- Packed lunch

Travel to school

We recommend students and parents carefully plan their journey to school in advance, perhaps even doing a 'walk through' on some occasions. Please try to encourage them to anticipate what they would do if they miss the bus/train and how they could contact parents/carers if required.

N.B. The maths department have secured a deal with Cassio and will be offering Fx-85GT CW+ scientific calculators at a discounted rate in October (approximately £12).
