

Year 8 Homework Timetable – 2026 - 2027

For most subjects, homework is set on a fortnightly basis (week 1 and week 2).

The exceptions to this are:

- Maths homework will be allocated with one or two pieces each week.
- English and Science will allocate one task each week.
- Students are on rotations for Technology, so their teacher will change every cycle. This is why staff initials are not displayed in the timetables below.

Teachers will be aware of this homework timetable and will issue the homework that is set on Microsoft Teams so students will also be able to access it online.
