

SOUTH WILTS GRAMMAR SCHOOL

Year 9 Homework Timetable – 2026 - 2027

In year 9, students are structured differently for their core subjects of Maths, English and Science:

- All students are blocked together for maths and will study it at the same time. The groups are labelled as A1, A2, A3, B1, B2 and B3
- English and science are blocked together and are labelled G, H, I, J, K, and L. Students are in the same group for both subjects.
- Languages are blocked with Technology and are labelled T1, T2, T3, TE1, TE2 and TE3.

The table below outlines when your child will receive Maths, English and Science homework, depending on the group they are in.

SOUTH WILTS GRAMMAR SCHOOL

In addition to their core homework, your child will also receive homework for the other subjects as outline below.

For most subjects, homework is set on a fortnightly basis (week 1 and week 2).

The exceptions to this are:

- Maths, English, Science and Modern Foreign Languages are set weekly.
- Students are on rotations for Technology, so their teacher will change every rotation cycle.

Teachers will be aware of this homework timetable and will issue the homework that is set on Microsoft Teams so students will also be able to access it online.
